

Anjani Portland Cement Limited

an ISO 9001 : 2008 company

The Company

Awarded as "The Fastest Growing Cement Industry", Anjani Portland Cement Limited, through a decade of operations and 500+ dealers' support has reached out to millions of customers in the states of Andhra Pradesh, Karnataka, Tamilnadu, Kerala, Maharashtra and Orissa. Over the years Anjani Cement has ensured development of strong technical, financial, marketing, strategy planning and human resource departments headed by well experienced personnel who rendered commendable service in various capacities in the industry for long time.

Production

The production lines I and II of Anjani Cement are functioning with fully automated production process using SIEMENS PCS7-CEMAT Distribution Control System with 24x7 monitoring.

Quality Standards

To ensure superior quality of the cement produced, a continuous inspection of raw materials and 24X7 rigorous quality analysis of intermediates and finished products is carried out at the plant from mining to packing.
