EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND SEBI LISTING REGULATIONS:

As required under the provisions of Sections 102(1) and 110 of the Act the following Explanatory Statement sets out the material facts relating to the special business as set out in the appended Notice:

Item No. 1:

The Company's current Articles of Association were originally drafted in accordance with the provisions of the erstwhile Companies Act, 1956 and have been in effect since the Company's inception. With the introduction of the Companies Act, 2013 several provisions and references of the current Articles are no longer in conformity with the current legislative framework, specifically the new Companies Act, 2013 and the substantive sections of the Act which deal with the general working of companies needs to be in conformity with Companies Act, 2013. In view of extensive changes, it is considered expedient to replace in whole, the existing Articles of Association by a new set of Articles to be consistent with the provisions of Section 5 of the Companies Act, 2013 including Rules made thereunder. The new Articles of Association is primarily based on Table F of the Companies Act, 2013, which sets out the model Articles for a company limited by shares, with such modifications as applicable and relevant to the Company.

The Board of directors is of the opinion that the resolution set forth in Item No. 1 is in the best interest of the Company and hence, recommends the said resolution for approval of the Members as a Special Resolution.

A copy of the proposed set of new Articles of Association upon approval will be available for inspection at the Registered Office of the Company on working days during business hours and the draft Articles of Association will also be available in the website of the Company.

None of the Directors / Key Managerial Personnel(s) of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

Item No. 2 & 3:

As you are aware, your Company holds 13,11,13,971 Equity shares of face value Rs. 10/- each in Bhavya Cements Private Limited ("BCPL") which is 99.09 % of the total Equity of BCPL. The Board proposes to dilute its stake in the subsidiary by selling 6,35,11,620 Equity Shares of Bhavya Cements Private Limited (BCPL), a subsidiary of the company out of the total 13,11,13,971 Equity Shares held by the company as investment in favour of Chettinad Cement Corporation Private Limited (CCCPL), the holding company at a purchase consideration of Rs.40/- per equity share aggregating to Rs. 2,54,04,64,800/- (Rupees Two Hundred and Fifty-Four crores Four Lakhs Sixty-Four Thousand Eight Hundred only). The above dilution will be constituting 48% of the total paid up equity share capital of BCPL and accordingly, your company will continue to hold the 51.09% of the Equity Capital in BCPL, and hence still construe as subsidiary of the company.

The market conditions in Andhra Pradesh and Telangana has been on the downside since the company acquired Bhavya Cements Private Limited ("**Subsidiary**") in the year 2021 both, your company and the Subsidiary has been making losses since last 3 years. Further, your company has an outstanding borrowing of Rs 359.45 crores taken at an interest rate of 7% per annum. Considering the current financial and liquidity position of the company, it is difficult to service the interest cost and to repay the principle amount.

The Rights Issue in 2023 to mobilise Rs. 249.06 crores for repayment of the loan to the holding company had a meek response of the shareholders on account of negative sentiments pertaining to cement sector and only Rs. 80.55 crores were mobilized from this issue, which was insufficient to repay the loan in full. Hence, after taking into consideration that the Subsidiary has been making continuous losses without providing any return on investment to the company and the Company's own operations also running into losses and unable to service the loan and interest, the Board of Directors thought it is prudent to propose for settlement of the loan together with interest to the holding company by selling the shares of Bhavya Cements Private Limited held in its name to the extent of 48% of shareholding to CCCPL. The selling price of this investment has been arrived at, after considering various factors apart from the valuation report as on September 30, 2025, dated November 13, 2025 issued by Mr. Vishesh Unni Raghunathan, an Independent Registered Valuer.

The purchase consideration as mentioned above is higher than the share value computed based on market approach as per the valuation report dated November 13, 2025 received from Mr. Vishesh Unni Raghunathan, an Independent Registered valuer. The higher price is justified, considering the intrinsic value of the shares factored on the installed capacity of the Subsidiary's manufacturing plant, estimated increase in cement realizations, mining reserves and various other factors as per market condition.

Since BCPL is a material subsidiary of the Company within the meaning of Regulation 16(1)(c) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"), the Company proposes to seek the approval of Members by way of a Special Resolution in compliance with the spirit of Regulations 24(6) and 37A of SEBI LODR.

Regulation 24(6) provides that a listed entity shall not sell, dispose or lease the assets amounting to more than twenty percent of the assets of its material subsidiary on an aggregate basis during a financial year without the prior approval of shareholders by way of a special resolution.

Regulation 37A (inserted in 2023) mandates that no listed entity or its subsidiaries shall sell, lease, or otherwise dispose of any undertaking or significant business activity without obtaining prior approval of shareholders by way of a special resolution, except where such sale or disposal is made under a scheme of arrangement or resolution plan approved by a court or tribunal under the Insolvency Code.

Further pursuant to Regulation 23 (1) & (4), any material related party transaction shall require prior approval of the shareholder though the proposed transaction shall be carried out on an arm's length basis, for a fair consideration determined through an independent valuation, and after due negotiation, ensuring fairness, transparency, and value maximization for shareholders.

The Board of Directors accordingly recommends the Special and Ordinary Resolutions respectively as set out at Item No. 2 & 3 of the accompanying Notice for approval of the Members which are in the best interest of the Company and for improving its liquidity position and profitability.

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution except to the extent of their shareholding, if any, in the Company.

Item No. 4:

The provisions of the SEBI Listing Regulations, as amended by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective April 1, 2022, mandates prior approval of members by means of a resolution for all material related party transactions and subsequent material modifications as defined by the audit committee, even if such transactions are in the ordinary course of business of the concerned company and at an arm's length basis. Effective from April 1, 2022, a transaction with a related party shall be considered as material if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, whether directly and/or through its subsidiary(ies), exceed(s) Rs. 1,000 crore, or 10% of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower.

The Company had, vide resolution number 5 of the AGM Notice dated August 12, 2025, inter alia, proposed to obtain an approval of the Members for proposed material RPTs between the Company and Chettinad Cement Corporation Limited, ("CCCPL"), the holding company, however the same was not passed for want of majority voting. It shall be noted that the transactions between CCCPL and your Company are in the nature of regular / routine transactions which are at arm's length and are in the ordinary course of business.

As the proposed earlier resolution no. 5 for members' approval at the just concluded AGM was not approved, the Board places before the members the material related party transactions proposed to be entered between the company and its holding company once again for the approval of the members considering the best interest of the company and being routine business transactions.

In terms of SEBI Circular dated June 26, 2025 on Industry Standards on "Minimum information to be provided to the Audit Committee and Shareholders for approval of Related Party Transactions" ("RPT Industry Standards"), which is effective from September 1, 2025, the explanatory statement contained in this Notice provides the required information.

The Board of Directors recommends the said resolution, as set out in item no. 4 of this Notice, for your approval.

As per the SEBI Listing Regulations, all related parties of the Company, whether or not a party to the proposed transaction(s), shall abstain from voting on the said resolutions.
